

HAPPY HOLIDAYS!

Our topic homework for this half term is based on the theme of, 'Happy Holidays!' We have outlined different homework tasks which can be completed across the half term.

Please encourage your child to choose one to be completed each week (some may take them longer than a week to complete). Topic homework should be given in on a Friday. Children are expected to complete at least four pieces of homework across the half term.

Children should also read to an adult daily and complete their maths and phonics home learning.

HAPPY HOLIDAYS!

Go on your own winter adventure with your family and look for signs of winter in your local area. What can you see, hear and touch? Did you see a beautiful robin or touch some frosty leaves? Write a list of noun phrases by including an adjective and a noun for each thing that you see.

Create your own holiday artwork. You can choose what you use to create it e.g. collage materials, pastels, paint etc. Think about what you should include in your picture.

Make your own boat that would be able to go on an adventure around the world. Try to make it strong and stable. You can choose which materials you use to make it.

Write a recount about your favourite holiday or day trip. Where did you go? What did you do and see there? Would you recommend it to other people?

Do some research and write 3 interesting facts about a different country that people might visit on their holiday.

The website below might be useful.

Read an adventure story and then retell it to someone else. Remember to use interesting story language when you do it. You could visit the library to find some interesting stories.
